Giving

Many people will have received a tax credit for donations made during the last financial year. One way to help the KUP finances would be to donate to the Parish that portion you received for the donations made to the Parish.

You can do this by putting cash or a cheque in an envelope, put your envelope giving number on the outside and place it in the offering bag Or

You can make an internet banking transaction. Your envelope number must be shown in the reference box

This would be very much appreciated.

Parish AGM

This Sunday the Kapiti Uniting Parish AGM will held at the Raumati Church
Please bring your copy of the Parish Annual Report with you.

Raumati Morning Women's Fellowship.

Thursday 13th August at 10am. We will have a speaker telling us about Personal Alarms.
All welcome.

Annual Parish Fair

Yes, it's that time of year again!

A Fair Committee meeting was held on 8 July with the result that we have convenors in place for most of the stalls,
so it was agreed that we should proceed with planning for the annual Parish Fair on **SATURDAY 7 NOVEMBER, 9.30am to 1pm.**

Please note this date in your calendars or diaries. It's not too early to start thinking about saleable items: books (novels please), plants, jams, pickles, bric-a-brac or garage sale items, etc.

The next planning meeting is set down for Wednesday 12 August, 10am in the upper lounge at Raumati. Everyone welcome!

Food Bank

The foodbank has moved to the community centre in Ngahina St this week on Fri 24th July. Any direct donations need to be dropped off there. Bank account details remain the same. Collections at church remain the same.

Reminder - Door Stewards @ Raumati and United@9

The head count was not entered on the 19th July at Raumati and the 26th July at United@9. It is mandatory as part of the Evacuation procedure that we know how many people are in the building for a service, this includes the Pianist, minister, Door stewards, Sound desk. It means anyone, If we have to vacate the brigade will ask for the written list to ensure everyone is out of the building. Otherwise they have go in to find the missing? A bit embarrassing eh when the door stewards cannot produce accurate information and then create the need for a fire man to enter the building at his own risk of life. Another issue is that the church bell is not being rung before the service starts. This is in the procedure on the credenza.
