• *Dear Friends*

While the latest coronavirus has not struck anybody in New Zealand, it is likely to arrive any day soon.

It is a virus that we cannot yet vaccinate against and it attacks the elderly and people with other underlying illnesses. It attacks lungs and breathing, and seems like influenza.

* ***Let us practice good public health habits***

- *Use basic measures, until further steps are necessary.*
- *frequently wash hands: use soap and water for at least 20 seconds.*
- *Use an alcohol-based hand sanitiser if soap and water are not available*
- *Cover your mouth and nose when you sneeze*
- *Stay home if you are sick*
- *Avoiding close contact with anyone with cold or flu-like symptoms".*

* Tony Wood of Titahi Bay Presbyterian Church has been appointed our Interim Presbyter by Presbytery Central. He will be attending the next Parish Council meeting on 11th February.

* Thank you to all those people who participated in our farewell to Cornelia on Sunday. A special thanks to those who provided the amazingly good selection of food for lunch. It was truly like a banquet.
